Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

**RESPONSE TO OFFICE ACTION**

This amendment is filed in response to the Office action mailed April 16, 2007, and is timely filed with a two-month extension of time.

**INTRODUCTORY COMMENTS**

Claims 1-138 are pending in the present application. Claims 1-138 stand rejected under 35 U.S.C. § 103(a) as being unpatentable over Raven et al. (U.S. Patent No. 5,429,361) in view of Hirsch (U.S. Patent App. Serial No. 09/819,392).

Claims 1, 16, 41-43, 68, 69, 83, 84, 100-102, 114, and 135-138 have been amended. No claims have been canceled. No claims have been added. Applicants respectfully contend that the differences between the claimed invention and the cited references are such that the claimed invention is patentably distinct over the cited references.
